GermanGiftOutlet

Over 30 years ago we began as a home business in Oregon with the goal to provide unique and affordable gifts for families with European roots coming to our booths at Oktoberfests, Scandinavian and Tulip Time Festivals. From this small beginning, our business has grown over the years.

Our passion for introducing new gifts each year has created an ever-increasing variety. Today, our native European family offers our customers all over the country one of the largest selections of Dutch, German and Scandinavian Gifts anywhere.

We are proud to still be a family business firmly based upon the lasting principles of taking care of our customers. To our family, this means providing quality and unique products at reasonable prices, quick friendly service and going the extra mile to fulfill special requests. These are just a few of the important facets, we believe, that has continued to lead satisfied customers back to our store for many years.
